HELP GUY MAKE HIS BIRTHDAY WISH COME TRUE

INAUGURAL ISSUE

JULY, 2010

Dear [First Name],

Thank you for your support and interest in RedLight Children. We have recently been working on several exciting projects, including the release of the highly anticipated film REDLIGHT.

We hosted a successful Red-Carpet World Premiere of the film in New York City on June 21st, 2010. The event was attended by over 1,000 people and has received great reviews.

RedLight Children as an organization has been growing in the past several months. We have welcomed Jennifer Munz as our new Director of Development, who comes to us with a background in anti-human trafficking, non-profit management, and fundraising.

We look forward to bringing you a monthly e-newsletter with information about our organization, human trafficking issues, and how you can get involved in this important issue. Thank you again for your advocacy and support.

Sincerely,

Guy Jacobson

RAISE AWARENESS

Trafficking in Persons Report 2010

Secretary Clinton (June 14, 2010): "The 10th annual Trafficking in Persons Report outlines the continuing challenges across the globe, including in the United States. The Report, for the first time, includes a ranking of the United States based on the same standards to which we hold other countries. The United States takes its first-ever ranking not as a reprieve but as a responsibility to strengthen global efforts against modern slavery, including those within America. This human rights abuse is universal, and no one should claim immunity from its reach or from the responsibility to confront it."
